

WELCOME TO EUROPA HOUSE

Celebrating 25 Years of Sercon

25 years of supporting the global IRMS community. Thank you
for celebrating with us.

EST. 2001 · CREWE, CHESHIRE

19 SEPTEMBER 2001 · WHERE IT ALL BEGAN

It started with a **small team**

Chris Pullan and Steve Welsh set up Sercon to provide service and consumables for the Europa Scientific community, and were soon joined by Mark O'Connor, Sam Barker and Andy Park.

Building on the **Europa Scientific** story, which began in Crewe in 1985.

OUR LOOK THROUGH THE YEARS

A lot can change in 25 years

The original SerCon logo, then each new logo from the year it first appears in archived copies of sercongroup.com

EST. 2001 · CREWE, CHESHIRE

2004 - 2014

Building on the **Europa** legacy

2004

The Europa line

Bought the rights to the Europa product line, keeping it available for customers.

2005

Our own designs

Our development programme begins with the HT-EA and TOC-IRMS.

2009

A bigger home

Moved into a larger, custom-built factory.

2010

The 20-22

Launched the 20-22 IRMS and gained ISO 9001 accreditation.

2014

ISO 13485

Certification and FDA approval for the ABCA2.

2020 - 2026

Growing together

2020

ABCA IR

Launched the ABCA IR breath analyser.

2021

Sercon Europe

Sercon Europe is established.

2023

Europa House

Acquired Europa House in Crewe.

2025

LA-IRMS & Techcomp

LA-IRMS launched with Teledyne Photon Instruments and Terra Analytic. In July, Sercon joins the Techcomp group.

2026

SIRIX

Launched with Isotopx for clumped isotopes and small carbonates.

EUROPA HOUSE, CREWE

Back where it **all began**

1990

Europa Scientific moves into Europa House.

2023

Sercon acquires Europa House.

Today

We celebrate 25 years of Sercon here, together.

Here's to the **next 25**

Thank you to all our staff, past and present.

COLLABORATE · CREATE · INNOVATE
